

## Quality, Service, Low Prices

A leading supplier of commercial and institutional linens, Trifecta brings the ideal combination of quality, cost, and customer service to the medical, hotel, and restaurant industries. Luxurious yet durable, our finely woven linens are made to ISO standards, and are specially designed to withstand the rigors of heavy daily use. We offer a large selection of styles and colors to meet the needs of your establishment. We accept special or custom orders of any color or type of linen. And our fast, friendly customer service includes wholesale pricing and international shipping.

### Medical Linens

Trifecta offers a wide range of linen products specially designed to meet the unique bedding needs of medical and home-care facilities. Combining comfort with durability, our top-quality linens are tightly woven to withstand the rigors of daily use in any medical environment.

#### Adult Bibs

Our comfortable and adjustable-fit adult bibs are made with an ultra-absorbent cotton/polyester blend. They are designed with a 100% polyester back fabric for full protection, and are machine washable

#### Medical Grade Towels

Trifecta towels are known throughout the medical industry for their combination of quality, durability and low price. Our ultra-absorbent, 100% cotton towels are soft enough to use on a baby's bottom yet durable enough to withstand hundreds of machine washes

#### Hospital Bed Sheets & Pillowcases

Made with an extra-soft cotton/polyester blend, Trifecta bed sheets and pillowcases feature a unique weave that provides a smooth, wrinkle-free surface while allowing maximum air circulation for patient comfort. Lightweight, durable and quick drying, these linens can withstand up to 200 wash/dry cycles, delivering more value for your dollar. Our hospital bed sheet will fit all hospital mattresses.

#### Reusable Bed Underpads

Our reusable pads have a multi-layer composite structure of absorbent cotton material and an impermeable PVC layer. Completely leak-proof, they have been chemically tested for unsafe materials and passed rigorous testing by SGS. The lightweight bed pads can be washed more than 200 times, and are machine dryable.
